Dear Parent / Guardian,

Young Voices Concert

We have decided to arrange the booking of the parent's bus for all parents on each of the campuses. The bus cost will be £15 per person and will need to be paid, with ticket money, by Monday 2nd October in order to guarantee your place. Please can all money be placed in a separate envelope, one for bus places and one for tickets, with your child's name and number of seats required.

We have had some queries to ask if children could travel back home on the parent's bus. Unfortunately this is not a possibility. This is due to a number of reasons, the capacity of the buses and the fact that the buses will be at different locations at the venue, in addition to navigating the 5000 children taking part in the whole event. We want to ensure all children are accounted for and therefore keeping all children together will be the safest way to ensure a quick return. Therefore anyone travelling on the parent's bus will need to collect their children back at Tillary Street Campus.

We are aware some parents would like to collect their children from us at the arena after the concert in Birmingham in order to make their own arrangements. We can confirm that there is the option for parents to collect their children after the concert to either stay overnight or to travel home by car. The arrangements for this will be discussed closer to the date.

In order for us to organise the hand over safely, we kindly ask that if you are planning to collect your child from the arena on January 12th, could you please return the slip below.

Finally, can we remind all parents that all ticket money will need to be paid by Monday 2nd October

Many thanks,

Mrs Hickinbottom
